

2008/4/9 Green Energy got new orders worth of US\$ 574 million

Thank you for your support to Green Energy Technology (GET, 3519 TT). Please be informed Green Energy have got new orders worth of US\$ 574 million (around NT\$ 17.5 billion) to supply solar silicon crystalline wafers.

The 8-year contracts cover a period between April 2008 and 2015 to 4 European and Asian customers.

The long term partnership with global suppliers and customers is to establish stable supply chain for Green Energy to grow steadily in solar industry. The new thin film business is to develop also as scheduled.
