

2008/4/14 Green Energy (3519TT) Buyback plan due on April 14, 2008

Please be informed Green Energy (3519TT) share buyback plan approved by the Board on February 14., 2008 is due on April 14, 2008.

GET repurchased 1.295 million of the Company's common shares over the open market from the Taiwan Stock Exchange, accounting for approximately 1.34% of the total outstanding shares, at an average price of approximately NT\$155.79 per share, totaling approximately NT\$201 million (US\$6.72 million).

The stock price quoted went beyond buyback pricing range NT\$100 to NT\$180 per share so GET is not able to repurchase 3 million common shares as planned. The repurchased shares will be transferred to employee welfare planning..
