

GET (3519TT) short notice for clarification

Dear investors and analysts:

Please be informed a press report talking about GET (3519TT) and Taiwan Glass cooperation in polysilicon. We hope to deliver you, our valuable investors and analysts, correct messages as below:

1. It's pure investment for GET
2. Originally GET liked to cooperate with Taiwan Glass (台玻) to get cheaper consumable gas "silane" for thin film business. We also expected to get cheaper TCO glass if Taiwan Glass (台玻) able to develop the technology.
3. The investing amount is NT\$ 250 million.
4. GET is focusing resources for expanding capacity in crystalline wafer business.
5. GET do and will maintain good sourcing relationship with current suppliers for poly silicon

Please let us know if any. Thank a lot.
