Dear investors and analysts:

GET's (GET, 3519TT) Board of Directors has adopted the proposal that: Given the recent proposed amendment to the private placement regulations, of which details are yet to be finalized by the regulatory authorities, and in order to ensure that the agenda for calling 2010 Extraordinary General Meeting ("EGM") comply with the most updated regulations, the Board resolved to postpone the EGM originally scheduled to be held on September 27. We will discuss internally and arrange another Board Meeting to decide the new EGM date after the new private placement regulations are announced.
