

## **GET (3519TT) announces to issue new shares**

Dear investors and analysts:

GET's (GET, 3519TT) Board of Directors today (Dec. 8) has approved proposal to raise capital by issuing 50,000,000 new common shares.

The use of proceeds is to strengthen GET financial structure and repay existing indebtedness. It supports GET's strategies to regulate its cash flow and reduce its inventory for enhancement of cost competitiveness.

Thank you for your attention.
