

GET (3519 TT) notice

GET is awarded “Green Building” by the Ministry of Interior

Dear investors and analysts:

We would like to share with you that GET (3519TT) manufacturing plant in Southern Taiwan is awarded “Green Building” by the Ministry of Interior, Taiwan.

GET is trying every effort to develop high efficient wafer and reduce manufacturing cost, so as to cooperate with tier-1 partners to get significant market shares. At the same time, GET advances manufacturing process to maximize resource utilization. GET has reduced so far electricity usage by 25%, water consuming by 37%, and CO₂ emission by 26%.

Our target of first stage in 2013 is to further decrease processing cost by 10% with new technology implement.

Thank you for your attention.
