

GET (3519TT) plans to raise funds by issuance of no more than 150 million new common shares through private placements

Dear investors and analysts:

GET's (GET, 3519TT) Board of Directors today (Mar. 4, 2015) has adopted a proposal for raising funds by issuance of no more than 150 million new common shares through private placement.

For continued development, GET plans to raise the fund for working capital, long term operation and possible partnership.

The proposal will be subject to the approval of the Company's extraordinary general meeting (EGM) scheduled to be held on April 21, 2015.

GET private placement plan:

- 1) GET plans to raise funds by issuance of no more than 150 million new common shares through up to two private placements. The funds shall be raised within one year starting from EGM approval date (April. 21, 2015~April 20, 2016).
- 2) Use of proceeds: to strengthen financial structure for working capital, long-term operation and possible partnership.
- 3) Potential Subscribers:
As a Tatung Group company, GET's private placement could be subscribed by Tatung Group subsidiaries, showing the Group's confidence and support to GET.
 - I. San-Chih Semiconductor Co., Ltd.
 - II. Chih-Sheng Investment Co., Ltd.
